Results	<p>Audition entries are carefully reviewed by YSDP Music Directors and our highly qualified music staff to ensure the most appropriate placement for each musician. This team works to create carefully balanced ensembles that maximize each student's technical abilities and orchestral experience. Your placement reflects the competitive nature of YSDP's distinguished four-level youth orchestra program. Once a student is placed in an ensemble, it is YSDP policy not to change.</p> <p>The audition result packet will be emailed to the parent or legal guardian via DocuSign approximately two to three weeks after the Youth Symphony of DuPage Document Center. An adult must sign off on the packet to secure the position.</p>
